REŠTAURÁCIA A PIVNICA

Dear guest,

welcome to our restaurant, Afrodita, in Čereňany Mansion. With great pride we offer you meals carefully prepared from local produce and the nearby regions. The Mansion grounds also include surrounding forests and meadows, which supply us with game and mushrooms. We always bring fresh fish from our own holding to your table. Milk, eggs and meat come from our farm at the foot of the Vtáčnik mountains.

We wish you a pleasant stay and we would be honoured, if you would plan your future journeys so that they would lead through Čereňany Mansion.

Bon appetit!

*Kastel Čereňany*
